

Mission: To offer holy hospitality to chaplains of all faiths in their diverse ministry settings through offering professional networking, collegiality, and education.

Vision: The WCA will be a vibrant body for spiritual care providers who:

- Foster connections among colleagues in a welcoming environment.
- Engage, support, and empower one another personally and professionally.
- Share and offer a clearing house for professional resources.
- Strive to grow and be a voice for the profession.

Values:

- Professional competency
- Spiritual care as integral to holistic care
- Spiritual leadership within organizations
- Collegiality
- Respecting, honoring, and celebrating diversity
